Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs, may increase your risk of foodborne illness, especially if you have certain medical conditions. Please inform us of any food allergies, special dietary needs as well as gluten free requests, and we will be happy to accommodate the best we can. RESTAURANT SURCHARGE Our independent restaurants have been operating with extraordinary increases in the cost of doing business. High inflation, rising wages and supply chain challenges have created a difficult operating environment. We have reluctantly chosen to implement a separate 3.5% fee. We appreciate your support and understanding.
